Junior Surfers of the Year

By Mark Jackola

Junior 'Riggers Chris Fong and Halie Harrison were honored as Junior Surfers of the Year at the Club on June 20. They received the perpetual John McMahon Jr. Surfer of the Year Trophy, presented by John's son, Jimmy McMahon.

Both of these Club members are outstanding in the water. They have outstanding skills in wave riding and paddle boarding, along with high scholastic achievement and a humble attitude.

The presentation was made at the Surfer of the Year Surf Movie night in the Koa Lanai to an enthusiastic audience. This was one of the best family oriented evenings with fantastic food and the families eating together before the presentation.

The movie and door prizes concluded the evening.

Special thanks to members Jon Andersen, (Riggers), Michele St John (Reactor, Olukai) Pua Rochlen (Jams World), Todd Bradley (C4) and Keone Watson (Billabong, Vertra) for their generous donations.

The Surfing Committee wants to thank the staff and management for their support of surfing and surfers at the Outrigger Canoe Club.
