Kala Judd Wins OCC Kayak Race

By Randy Grune

OCC's 6th Annual Kayak Race from Hawaii Kai to Sans Souci was held on January 26 on a beautiful, calm, sunny day. There were a total of 101 entrants, the record turnout to date.

OCC member Kala Judd took first place in the open kayak division with fellow members Mark Sandvold and Geoff Graf in hot pursuit for second and third, respectively.

Lorey Bode finished first in the women's division.

Walter Guild was first to finish in the one-man outrigger canoe division.

The OCC Kayak Committee thanks fellow OCC member and president of Kanaka Ikaika David Marchant for his efforts in co-sponsoring the race.

Thanks also goes to Beach Captain Don Isaacs and Greg Moss for driving escort boats, Brant Ackerman and Courtney Seto for providing awards for the finishers, and the OCC kitchen for the tasty lunch.

Enjoying the festivities were: 1) Chris and Genie Kincaid. 2) Don Machado Jr. and Mark Buck. 3) Lisa Heimlich, Billy Eggers, Bill Eggers and Mari Slack. 4), 5) and 6) Limbo contest. 7) Dancing to Pandemonium.

AS THE TERRACE TURNS

By Mary Machado

Congratulations to **Ronson Nguyen** who was named to the Dean's List at the Air Force Academy for his academic performance during the fall semester of 1990. He's another Punahou grad of the Class of '89 who is making good in college. . .

Nadine Kahanamoku's birthday party was enjoyed by 22 friends at January's Seafood Buffet. It was hosted by long-time family friend **Patricia Bragg**.

Tommy and Rusty Thomas fulfilled a long-time desire. They made an exciting South Pacific cruise on the famous QE2 down under to Australia, New Zealand, Fiji and Tasmania. . .

Ricky Humphreys is having a great volleyball season at Loyola-Marymount this year. He's the starting setter and he's only a freshman.

Peaches Guerrero had OCC members smiling at the OCC Christmas Party. She had one red and one green earring and shoe.

James Krueger was named Hawaii's Male Master's Athlete of the Year as well as Maui's Outstanding Male Swimmer of the Year for 1990. . .

Celebrating the holidays with a festive Christmas party in Redmond, Washington at the beautiful home of **Marc and Sandra Haine** and their four children and new Seattle friends, were **Tom and Marilyn Haine, Howard and Eileen Bugbee, Jimmy and Laurie Bugbee, Ian and Jameson Bugbee, Hal and Nicky Burchard** with **Drew and Anna, Jimmy Dean, Pat Wyman, Dan McFadden** and **Linc Scafe**.

Although confessing to missing Christmas Day on the Hau Terrace drinking Anzai's bonzai and waiting for a green flash, we all agreed it wasn't so bad being with family and old friends watching the snow fall under a full moon and sharing a white Christmas.

Age Ellis has decided to follow in his father's footsteps and play football for the University of Hawaii next year. He signed a letter of intent. . .

John Finney spent the pre-holidays in Australia where he enjoyed seeing his son, **Eric**, graduate from SCEGGS-Redlands High School with honors and as

sports captain of the school. **Eric** is planning on attending college in the USA.

Some other Aussies, the **Desmond Brooks**, returned from a business trip to Spain in time to spend Christmas at the Club. . .

The **Harold Wright** clan gathered at the Club to celebrate **Julie Wright's** graduation from Chaminade University, including **Kirby** who was visiting from Palo Alto. Kirby is currently working on an advanced degree in the Bay area and plans to become a writer. . .

Dini Gray had dinner with son **Tommy** who was home from Los Angeles for the holidays.

Gerry DeBenedetti spent her Christmas racewalking in the fog in Linden, California. The "block" is four miles

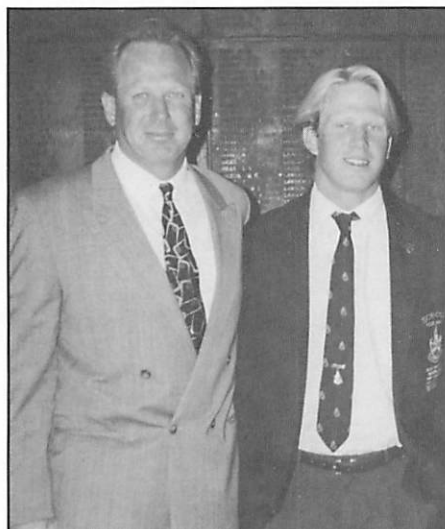

long and **Gerry** did that every other day for two weeks.

Celebrating her 30th birthday was **Andrea MacDonald**, with her son **Ryan**, her parents **Pat and Dick McCauley**, sister **Susan** and youngsters **Michael, Ian and Kristine**. . .

Tom Vesey is still talking about the three Thanksgiving dinners he ate in Michigan, Denver and San Francisco while on a month-long Mainland trip.

PGA golfers **John Cook** and **Curt Byrum** spent much of their free time enjoying

the fun and sun at the Outrigger in January. **James Gaddis**, who has caddied for both **John and Curt**, carried the Byrum bag at this year's Hawaiian Open. Eighteen month-old **Courtney Gaddis** entertained "Uncle Curt" at the Gaddis home during the week. **John Cook** and his caddy enjoyed paddling

Thank You ODKF

By Gerry DeBenedetti

At the Rell Sunn Menehune Surf meet held in Makaha last November, the winners received small gold medals with a likeness of Duke Kahanamoku.

Information was given to all of the participants on the purpose and goals of the Outrigger Duke Kahanamoku Foundation to support athletes and scholars in their athletic goals and achievements.

Two of the entrants, Mickey and Nat Woolley were so impressed with their medals, they wrote a thank you note to the ODKF.

"Aloha Outrigger Duke Kahanamoku Foundation. I am Mickey Woolley and I am 7 years old. Thank you for the special Duke Medal, that I won at Rell Sunns Menehune Surf Meet, at Makaha.

I also surf at Chuns and Haleiwa and Canoes."

Love Mickey Woolley

"Hi Guys, I'm Mickey's twin brother Nat and I would also like to thank you for the Duke medal. I will keep it forever." **Love, Nat Woolley**

The ODKF wants the Woolley twins to know that this is what ODKF is all about, helping young (and old) athletes achieve participation and excellence in sporting events.

The Foundation's emphasis is presently on assisting those Hawaii athletes with 1992 Olympic goals. We'll probably be hearing from and about the Woolley twins between now and the year 2000 when they are 17. 

Junior Membership Requirements at OCC

If you have a child who is 10 years old (or older) who wants to play on one of our junior volleyball teams or paddle for the Club this summer, they should apply now for their own membership.

The advantages of membership for a 10 year old are many. They have to learn to live within a budget, they need to talk to you about how their bill will be paid, they can sign their own Snack Bar chit, find out what's OK and what isn't, get their own locker, and so forth.

And even more important, with membership in the Outrigger Canoe Club limited, they sustain our membership in our family base. Many children now applying for membership are second, third and even fourth generation members of the OCC.

Another advantage of applying for membership prior to reaching your child's 14th birthday, or within 90 days after the parent becomes a member, is that the membership fee is waived.

The usual initiation fee for Junior members, whose parents are members, is \$150. Monthly dues is \$7.50.

You may obtain the membership application form from the Executive Office. Two sponsors (voting members for the past three years) are required. They cannot be close relatives. Upon completion of the application, the applicant is posted for 30 days.

After the posting period, the Admissions and Membership Committee will schedule interviews with you, your child and the sponsors.

After age 10 without their own mem-

bership, the child may only come to the Club two times a month as a guest.

Every year, the A&M Committee has a large group of youngsters applying en masse in June because they want to paddle or play volleyball. Please turn in an application now and avoid the rush.

Remember, membership in the OCC

is for life. What greater gift can you give a child than to let them know that they will be members in a great Club like ours forever--as long as they know and adhere to the rules.

If you have questions, contact the Admissions and Membership Committee. ☎

Also at the meeting, they selected two local charities to help. ☎

OCC Runners Honor Russell Allen

By Emery Lucas

Saturday, January 19 was a red-letter evening for many Club runners as the Outrigger Running Committee held its Annual Running Awards Night and social, playing host to all runners and their support group of friends and family.

One of the neat things about this event, is the warm feeling of camaraderie one witnesses among the overflowing, ever-talking crowd.

Runner of the Year was awarded to Russell Allen. He is a man in the 60-64 age group, running better times than men 20 years his junior. He had 12 first place age group finishes during 1990.

Matt Kresser was awarded a first place medal for his 3:09 finish in the Honolulu Marathon. Tracy Smith was also awarded a first place medal for her 3:34 Marathon finish.

Marathon age group awards went to Billy Balding (20-29), Jack Feher (30-39), Tommy Holmes (40-49), Ed Moore (50-59) and Russell Allen (60+).

A best achievement award was presented to Ruth Munro, the winner of 10 first place age-group awards in 1990. Ruth runs in the 60+ age group.

Masters runner Emery Lucas was presented an achievement award for averaging seven marathons a year over the past four years. He has finished 33 since becoming a masters runner six years ago.

In the best team category, awards were presented to masters runners, Tom German and Carole Wilbur.

Awards also went to Twain Newhart (Rookie Relay Runner Award), Billy Balding (Most Enthusiastic New Runner) and Hilary Lambert (Bravest Hana Hill Runner).

Receiving recognition for their running efforts in the Hana, Maui Relays last September was the entire Gold I team (2nd place, mixed), comprised of

Allen, Lucas, Dr. Bob Atkinson, Joanna Reinhardt, Tanya Watumull and Joe Teipel.

All Club members with running ability are encouraged to join the running team or the OCC Running Committee. Many events are planned during the year and all events are fun, social, with a team-running or walking concept. Contact Andrea Lehman or any running team member for information. ☎

Hilary Lambert presents Russell Allen a lei for being named Runner of the Year.

INSIDE OCC

By Ray Ludwig, General Manager

I was very pleased to see so many of our voting members in attendance at our February 25 Annual Meeting. It is reassuring to know that so many of our members are willing to take the time and get involved in the decision making process.

Again this year, the response shown by the membership with respect to the committee preference cards was phenomenal. The number of members who care and are interested enough in the Club to be willing to give the time that it takes to serve on the committee, is typical of the "Let's Get Involved" attitude of our membership. You are to be congratulated!

Aloha Ron and Dan

I want to acknowledge two of our directors, who after six years of serving on our board, have stepped down--Ron Larsen and Dan Williamson. Both have served the membership in various capacities these past six years.

Ron, most notably, has served as Coordinating Director of our Long Range Planning Committee this past year. He, together with his committee, has prepared a five-year long range plan which was recently submitted to the Board for review.

Dan, after moving through the chairs of our Executive Committee, became our Club president on Feb. 26, 1990 and served in that capacity through our 1991 Annual Meeting. It was not an easy year. But with Dan's capable leadership, together with a determined group of directors, and a great many hard-working committee members, everything came together. We ended by all accounts with a very successful year, both on the athletic field and operationally.

Aloha Dan and Ron, you will be missed.

Membership Surveys

The membership surveys which were distributed during the month of January have been turned over to the House Committee. They have appointed a sub-committee that will compile the results of the surveys and provide a report which will go through the House Committee to the Board.

As soon as the surveys are reviewed by the House Committee, an overview will be prepared and published in the Outrigger.

Cellular Phone Ban

Reminder: Our Board has previously adopted a policy which prohibits the use of cellular phones in the Club's Main Dining Room. This policy is in effect for both lunch and dinner service. Please advise your guests accordingly.

Dress Code

I've been asked by a group of members to remind the membership of our dress code for both the Dining Room and Lounge. For the Dining Room, aloha wear is acceptable unless otherwise specified for special occasions. Gentlemen's attire must include closed footwear, long trousers and a collared shirt.

T-shirts, tank tops, athletic clothes and/or swim wear, beach sandals and rubber thongs are not acceptable and will not be permitted.

In the Lounge, casual dress is permitted. T-shirts and athletic clothes may be worn, upper torso cover is required for ladies and gentlemen.

No tank tops, wet clothing or swimwear after 6 p.m. Footwear is required, walking shorts are permitted.

Employees of the Month

In closing, I would like to acknowledge our Employees of the Month for

the year just completed: Cecilio Longao, Marie Felton, Enden McNierney, Wayne Ventura, David Fuller, Evelyn Foronda, Mildred Haykawa, Elias Samonte, Ernesto Soliven, Wilson Ayson, Paula Grivas and Chad Los Banos.

They are one and all dedicated, hard working loyal and committed employees and we are fortunate indeed to be able to count them within our numbers. They, together with the other 140 Outrigger employees, are an important part of what the Outrigger is.

Golf Chips From the 19th Hole

By Frank E. Walton

Twenty-three members of the Outrigger Canoe Club Golfers attended the annual banquet at the Club on January 22. In addition to the usual delicious food, the banquet featured the presentation of trophies to the 1990 golf winners. Their names were reported in last month's Outrigger.

The Golfers voted to retain last years' slate of officers for 1991: Jim Hammons, Joie Gopez, Pam Dillingham and Donny Mailer.

Golf Chairman Jim Hammons has issued a copy of the 1991 USGA Rules to each member and reported that the new HSGA/SLOPE book, containing the ratings of all the golf courses in the islands, will also be issued to each Outrigger Canoe Club Golfer member as soon as the new edition arrives.

Match-Play Championship

The signup sheet for the 1991 Club Match Play Championship is now in the Golf Folder. All members of the OCC

Golfers who want to play should sign up no later than April 10. The tournament will be conducted over the period May 1 to November 20.

With 49 members currently on the rolls and more anticipated, Hammons expects to have 48 or more players (32 men and 16 women) participate in the matches this year.

Stroke-Play Tournaments

The signup sheet for the 2nd 1991 Stroke Play Tournament (Hawaii Kai Golf Course on Wednesday, April 10, 7:58-8:54) will be placed in the Golf Folder at the Club Front Desk on March 10.

The 1991 schedule is now complete with the final two Stroke-Play tournaments at the Kaneohe Klipper Golf Course, MCAS on Wednesday, October

2 (8:29-9:25) and Hickam AFB on Friday, December 6 (9:02-9:58).

A copy of the entire 1991 schedule has been placed in the Golf Folder. ☺

Sponsoring a Candidate for Membership

By Jimmy McMahon

Chairman

Admissions & Membership Committee

Sometime during your life as a member of the Outrigger Canoe Club, you will be asked to sponsor a friend, business associate or acquaintance for membership in the Club.

We recommend that you only sponsor people you know very well. Our Club is limited in size and we want people who will integrate well into our lifestyle.

To sponsor a member, you must have been a voting member of the Club for three years, and may not be a close relative, member of the Board of Directors or on the A&M Committee.

As a sponsor, it's your job to pick up a membership application for your candidate from the Executive Office.

The responsibilities of the sponsor and co-sponsor are equal. The co-sponsor may have to step in and be the sponsor should the original sponsor have to step down due to a change in mem-

bership status, or election to the Board or A&M Committee, or unavailability for the interview.

Remember, your candidate's application is not complete until you complete the sponsor sheet and turn it into the Executive Office. Only after this occurs, does your candidate go on the list to be posted. Currently, application for regular membership is taking 36 months.

After your candidate has been posted, the A&M Committee will schedule an interview with your candidate. It is your job to notify the potential member of the date of the interview. Please call the Executive Office to confirm the appointment.

You must appear before the A&M Committee with your candidate. If your candidate is married, his/her spouse must also attend the interview. For juniors, whose parents are not members, the committee requires that both parents appear with the child at the interview.

When you arrive at the Club on interview day, check in at the Front Desk with your candidate so we'll know you're here. Then wait in the Lobby to be called.

We suggest that you be punctual and properly attired in business clothing

when you appear before the A&M Committee. T-shirts and shorts are not considered appropriate attire.

At the interview, be prepared to discuss your candidate, both personally and professionally. If you don't know enough about them to do this, then you shouldn't be their sponsor.

Tell us how long you've known the candidate, how you've known them (socially, business, family, etc.), how they will contribute to the Club, their athletic and social interests, other activities they're involved in, their profession or business interests, their family, etc.

Invite them to the Club prior to their interview and let them see first hand what we're like. Get to know them better and ask them any of the questions the Committee is likely to ask you about them.

One of your jobs as a sponsor, is to notify your candidate on the Board's decision on their membership. You must be prepared if your sponsor someone for membership, especially if it's for business reasons only, to tell them that they have been rejected for membership.

If you have any questions, contact me or any member of the A&M Committee. ☺

OCC's Best Chefs

By Kathy Merrill

The following recipe is enthusiastically shared by Karen and Cale Carson, who found it in the Moosewood Cookbook. The cookbook is produced by a cooperative that runs a wonderful health food restaurant in Ithaca, New York.

The restaurant is appropriately called the Moosewood Restaurant and Karen, who went to Cornell, as did her son, Chris, has eaten there and raves about it.

Karen suggests doubling this recipe and making it in a large quiche pan.

Cauliflower-Cheese Pie

Crust:

2 cups, packed, grated raw potato

1/2 tsp. salt

1 egg, beaten

1/4 cup grated onion

Heat oven to 400 degrees. Set the freshly-grated potato in a colander over a bowl. Salt it and leave it for 10 minutes. Then squeeze out the excess water (which can be used for soup stock) and add it to the remaining ingredients. Pat it into a well-oiled 9-inch pie pan, building up the sides of the crust with lightly floured fingers. Bake for 40-45 minutes until browned. After the first 30 minutes brush the crust with a little oil to crispen it.

Filling:

1 heaping, packed cup grated cheddar cheese

1 medium cauliflower, broken into small flowerets

1 medium clove crushed garlic

1 cup chopped onion

3 Tbs. butter

Dash of thyme

1/2 tsp. basil

1/2 tsp. salt

2 eggs

1/3 cup milk

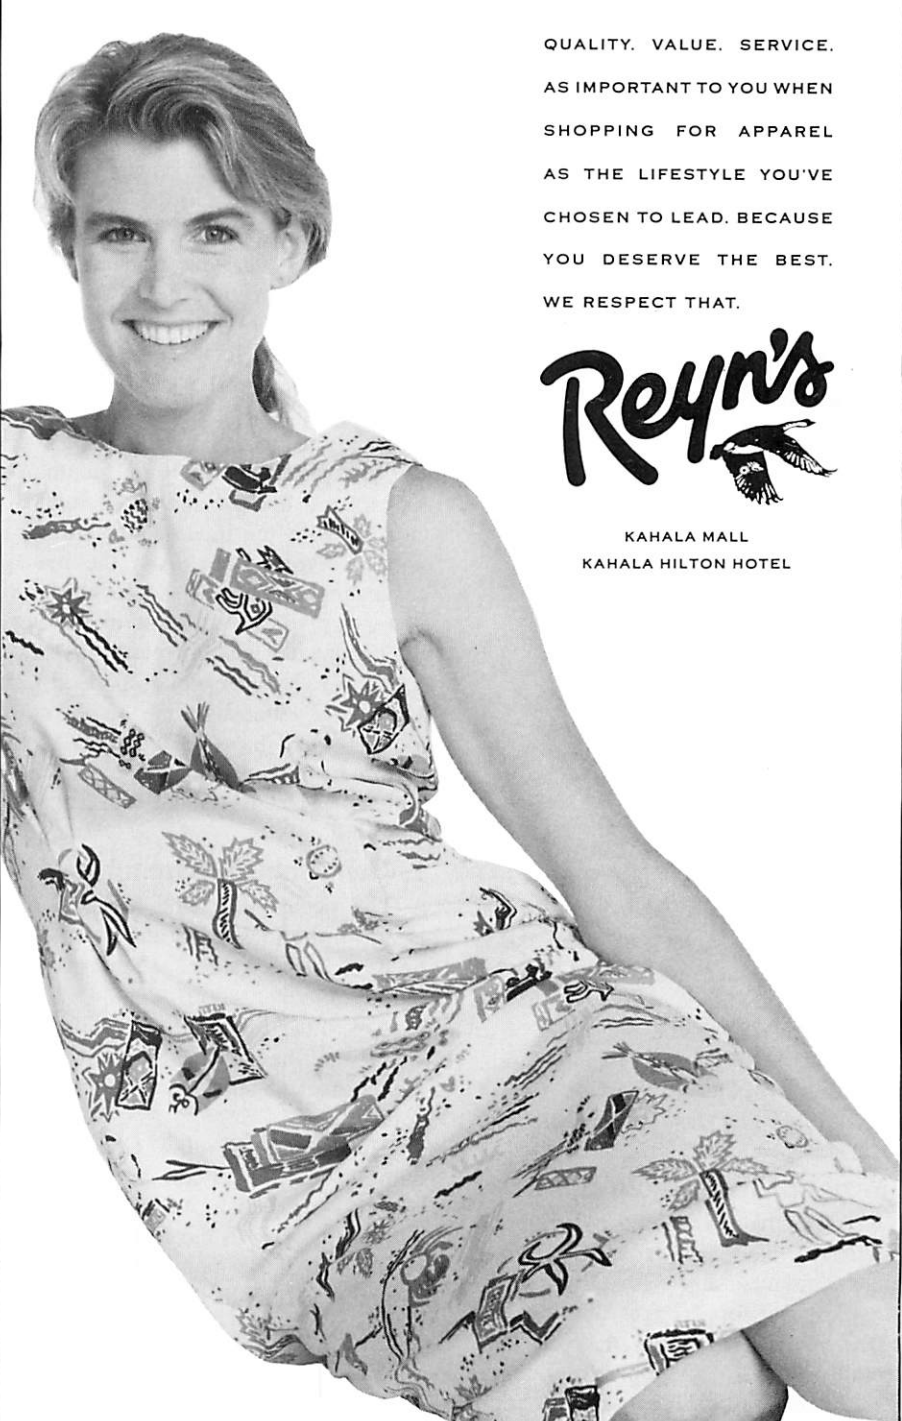

black pepper

paprika

Turn oven down to 375 degrees. Beat together eggs and milk. Saute on-

ions and garlic, lightly salted in butter for 5 minutes. Add herbs and cauliflower and cook, covered, 10 minutes, stirring occasionally. Spread half the cheese into the baked crust, then the saute, then the rest of the cheese. Pour the custard over and dust with paprika. Bake 35-40 minutes until set

Makes 1 9-inch pie. ☺

Calling All Paddlers

Start thinking now about the 1991 paddling season. Signups will begin next month. Watch for the date and place on the Bulletin Board in the Tunnel.

If you're not in training, now's the time to get started. If you're not in shape, start by walking. Visit the Fitness Center and ask how you can begin a program to get started.

The Club's strength in the past has been that we've had a large number of paddlers and have entered crews in all events. Your support is crucial to the success of the program. ☺

OCC Athletic Locker Procedures

One of the best reasons to be a Club member is the locker room and shower facilities that are available after swimming, running, paddling, volleyball, lifting or whatever athletic endeavors you enjoy.

Lockers are available in the Senior Men, Senior Women, Junior Boys and Junior Girls locker rooms for permanent assignment or day use.

All classes of membership (except Nonresident) who are in good standing and residents of Oahu are eligible for permanent locker assignment.

Getting a Locker

Club management maintains a waiting list of eligible members who want lockers. Lockers are offered in turn to the top name on the list, regardless of their permanent membership classification.

Locker Preference

When available, a locker will be offered to the first name on the list. If the person does not choose that particular locker, their name will be returned to first on the list, and the locker will be offered, in turn, to the next waiting person until someone selects the available locker.

If you wish to take the locker temporarily, but prefer another locker size, you may have the available locker and your name will be maintained first on the waiting list for a locker of your preference.

When changing from Junior (under 18) to Senior status (over 18), you may temporarily retain your junior locker until a senior locker is available.

However, you must put your name on the senior locker waiting list. If the senior locker that becomes available is not your preference, you must take it in order to leave the junior locker room. Your name will be retained on top of the senior waiting list for a locker of your preference.

Change in Membership Status

Once you have obtained a locker, it is yours to use, regardless of your change in membership status from Associate, Regular or Nonresident A, as long as you use it within the year and respond to non-usage correspondence described under the section on retention of lockers.

If you were a resident and become a Nonresident-A, you may wish to give up your locker or share with somebody.

If your membership is terminated for delinquency or other reasons, your locker may be retained in your name for 90 days (three months), giving you the opportunity for reinstatement.

If you are reinstated within 90 days, you will have your locker. After 90 days, your locker will be emptied and released to another on the waiting list.

If you are later reinstated, you will have to place your name on the bottom of the waiting list. You will not have a preferred waiting status.

Retention of Lockers

Use of a locker is a privilege. Non-use of a locker can be grounds for revocation of that privilege.

On January 1 of each year, a letter is placed in each locker inquiring if the rental occupant still wants to retain that locker and if so, to return the letter of intent to the locker attendant.

On April 30 (after four months), all lockers are opened and those rental occupants with the intent letter still inside will receive a letter from the manager requesting release of the locker due to non-usage, or a statement in writing of the occupant's wish to retain the locker.

Those who have not responded to the Manager's letter by June 30 (after two months), will have the contents of their locker removed and disposed of and locker fees will be deleted from their Club bill.

Locker Name/Occupant

The occupant of the locker is indicated on the locker list and is the person billed for the locker. You may have only one locker.

A spouse holding a "Special Guest Card" may have a locker. It is billed to the permanent sponsoring member's account.

The names of other Club members using your locker on a shared basis must be supplied in writing to the attendant or the key to the locker will not be released to those members. The person assigned to the locker is billed for the locker.

Sharing is encouraged but by personal arrangement. If there are problems with the other members sharing

your locker, you are responsible for your locker and must handle those problems.

Day Lockers

Day lockers are available from the attendants for one day use for any classification of membership and guests. A signed Club charge slip will be made for the applicable fee. This locker must be cleared by the end of the day.

Care of Lockers

You are responsible for the interior care of your locker. Do not store food, perishables or wet items in your locker.

Laundry Services

If you wish towels or athletic clothing laundered, sew or write your locker number on the item. It will be washed and returned to your locker by the attendant.

Both an alphabet letter indicating which locker room, and your locker number, must be used. Example, M201, W111, G16, B2.

Use of locker laundry service is at your own risk. The Club is not responsible for lost or damaged personal items.

Liability

The Club assumes no responsibility or liability for personal valuables or other belongings stored in lockers or left in the locker rooms.

Violations

Members abusing their locker, storing offensive material, delinquent in paying bills or not responding to locker usage notices could lose the privilege of having a locker.
