

Announcing the Summer Swim Schedule

by Gerry Senner, Swim Chairperson

Longer swimming days and warmer weather are good reasons to get wet. Plans are under way to organize the August Distance Training Swim Clinics. If you have any opinions about the choice of either Saturday or Sunday Clinics, or the hour when you would like to swim, please leave a message at the front desk for the Swim Committee.

Distance swimmers who are interested in competition, should note these dates;

SEPTEMBER 2 —

MAUI CHANNEL SWIM 9 MILES

SEPTEMBER 4 —

WAIKIKI ROUGHWATER SWIM
2 MILES

Please train from June to August, if you would like to be on the Club's Maui Channel Relay Team. Ian Emberson will be the Team Captain for that event. We need 6 strong OCC swimmers to challenge the strong local competition, as well as the mainland teams that look forward to our unique Hawaiian swimming conditions. **THEREFORE - PLEASE START SWIMMING!**

MILEAGE LOGS

The Men's Locker Room has a binder-log to chart miles, and miles will be posted on the wall chart by the Swimming Committee. The Women's Locker Room also has a wall chart for self-posting. If you would like your name added to either chart, leave your name at the front desk for the Swim Committee.
