

Roughwater Swim Results

By Gerry DeBenedetti

The 1987 Roughwater Swim, sponsored by Parks and Rec, had a huge entry this year of 1,131. Only a handful of those were OCC members, but we were well represented with three people finishing in the top three places in their age groups.

Only one junior member was entered. Youth of the Outrigger, get in the water and start swimming! Or start entering!

Finish line refreshments from OCC were provided by Gerry DeBenedetti and Clair Folsome. Canoe escort was provided by Ron and Ed Li and crew.

The day before the event, the Star Bulletin featured an article about Harry

Huffaker who works on the Roughwater Swim committee every year. Harry has swum the Molokai Channel (in both directions) and the Alenuihaha Channel, in addition to numerous Maui-

Lanai Channel and Roughwater swims.

Diane Stowell has been in many Maui Channel swims, including a swim of the entire nine miles, two weeks before the Roughwater this year. 🏊
