

# Transpac Entry

The "Libalia Too," a 41-foot Davidson made in New Zealand and owned by Art and Libbie Kamisugi, was hosted by the Outrigger in last month's Transpac race. The 3-year-old boat participated in the Class C division of the race and was co-skipped by the owners. OCC member George Norcross was a member of the crew.

Cinnie-Belle Ayau was coordinating sponsor in charge of arrangements for the Club's party honoring the crew. Co-sponsors included the Dennis Mahoneys, Alfred Goldman and Dr. Robert Flowers.
