

Nonresident member **Terrence McCarthy** visited the Club in May and presented a check for \$25,000 to the Outrigger Duke Kahanamoku Foundation in memory of her late husband, Edmond McCarthy.

Mrs. McCarthy told the ODKF that her husband had received a basketball scholarship to the University of Ohio and it was a great privilege to have the opportunity for a college education. After reading in the Outrigger magazine about some of the athletes and scholars the ODKF assists, Mrs. McCarthy decided to support physical fitness and athletics through the Foundation.
