Joey Cabell

"**Joey Cabell** is the Best Surfer in the World Today," so says the lead caption for an article by Dick Graham in SURFING Magazine for April 1968. Dick Graham is the editor of Surfing. In his article he poirits out many of Joey's abilities and his versatility in both large and small surf. The article is abundant with high quality photographs of Joey in action. Graham points out that these photographs and others enable one to appreciate the quality of Joey's technique.
