

# Runners Enjoy Success at 30/30 Relays

By Donald T. Eovino, Chairman  
Running Committee

At 5:30 a.m. on October 16, 30 OCC runners, representing six teams and almost 20% of the entire field, entered the Raymond's 30/30 Relay. The relay is a 30-mile race of five-member teams with each member running approximately six miles, starting at the Diamond Head tennis courts and finishing at the marathon finish line.

Of six teams, Outrigger had astonishing results. OCC came home with a first place and four second places. Twenty-four members left with decorative monkey pod trays with brass plaques.

The lead runners took off in the dark. In the Men's Club division, Andrew Glatzel started off, followed by Tommy Damon. To his dismay, no one was there to receive the baton. Thirty agonizing minutes later Dustin Sellers, who was supposed to go last, took the handoff. Keoni Kino was next, followed by Billy Balding. Despite a 30-minute delay, the team still clocked 7:24 per mile average and they finished second.

In the Senior Masters division, Don Eovino led off, followed by Tom German, Blake Johnson, Mike Schwinn and Bob Atkinson. They finished second.

The women's open team included Heather Moore, Norma Santiago, Liz Wisner, Katie McCrary and Missy Mowat. They also finished second.

Our fun run team included Laura Williams, Nora Mejide, Vien Schwinn, Chris Worrall and Steven Gee.

In the Women's Club division, Katy Bourne, Paula Jenkins, Margo Berg, Francis Wright and Robin Markle finished second.

Carol Wilbur led the Mixed Masters Division team, which also included Bob Coble, Stan Markle, Debbie Atkinson, and Don Eovino to a second place finish.

A good time was had by all and we are looking forward to our next running event—the 1994 Honolulu Marathon on December 11. ☐
