

Surfing

"The purpose of the club shall be the promotion of athletic sports and activities in all their forms and branches."

Sound familiar? Probably not.

Down through the years the idea behind Section II of our By-laws has tended to melt away with the lulling clink of ice against frosty glass.

Hopefully, this "happy hour" has had its hour. A new dawn approaches.

A very important step in this direction was taken at a luncheon meeting, May 15, when the newly formed Surfing Committee sat down together for the first time.

It was agreed that the initial phase of the committee would be to develop inter-club talent by staging inter-club competition. But a more ambitious program is seen by year's end.

The committee feels the Club has an abundance of youthful talent, who, with the skilled guidance of experts, can bring merit both to themselves and the Outrigger Canoe Club in the competitive field of surfing.

Committee members are: John McMahan, chairman; Bill Brooks, Mark Hemmings, Fred Hemmings, Jr., and George Downing.
