

# The Volleyball Outlook

by Jerry Ober

Coach Dennis Berg reports that there have been two more "B" Tournaments, the first Women's "B" Tournament and the first "A" Tournament since the opener at Waimanalo reported in the last **Outrigger**. The season starts in January and runs through to the Nationals and AAU Tournaments held on the mainland in late spring. Serious practice consisting of two sessions a week commenced for the Outrigger teams in January.

The three women's teams are all "B" teams with the strong possibility of a 4th team to be made up because of the exceptionally large and enthusiastic turnout. Two teams finished 3rd and 4th in the first Women's Tournament out of ten competing teams at Waipahu and Wahiawa.

The Men's "A" and the Masters Teams finished 2nd and 3rd respectively in the first tournament at Waialua. The Masters Team led by Tom Haine seems to be headed in the right direction to win at the National Championships.

The "A" Team led by Buster Chapman, Chuck Haneberg and Mike Holmes will combine with the "AA" players Tony and Chris Crabb and Jenkins to go after an open National Title.

Two trips are planned for the "AA" players. These are set for February 3rd to 7th and March 24th to 30th and are intended to prepare our teams for the ultimate competition at the Nationals. Most of the games on the mainland will be exhibition games for which admission is charged. The Club will help defray the cost of these trips with their share of the receipts from the exhibition games.

**From the President's Desk**

Dear Fellow Member:

Your Board of Directors has found it necessary in the interests of responsible financial administration of the Club to increase dues charges. This action is taken reluctantly and only after an exhaustive study of alternatives.

Costs of your Club's operations have increased commensurate with the rising costs of wages and supplies, despite successful past moves to improve operating efficiency and control costs.

Dues were last increased nearly four years ago. Since that time general living costs have increased approximately 20 percent! The dues increases required to offset these added costs have been allocated equally to all Voting, Service, Island and Nonresident members, and at reduced rates to Associate and some classes of Junior members.

As a result of this increase, members can expect to receive continued quality, service and food and will be assured that their Club's facilities will be properly maintained and improved, and that its fiscal affairs will continue to be conducted on a sound basis.

The new dues schedule which will become effective on **Feb. 1, 1972** follows:

SENIOR .....	\$15.00	JUNIOR-Child of Nonmember	\$ 4.50
REGULAR .....	30.00	JUNIOR-1st Child of Member	3.60
LADY .....	22.50	JUNIOR-2nd Child of Member	2.40
INTERMEDIATE .....	22.50	JUNIOR-Each Child after .....	1.20
ASSOCIATE .....	4.50	SERVICE .....	18.50
ASSOCIATE-Spouse .....	3.60	ISLAND .....	30.00
ASSOCIATE-1st Child .....	2.40	NONRESIDENT .....	30.00
ASSOCIATE-2nd Child .....	1.20		

Very truly yours,  
Thad W. Ekstrand  
President

Bobby Anderson and Mike Holmes taking 2nd, 3rd and 4th places respectively. The second race was a clean Outrigger sweep, with 1st place going to Mike Holmes, 2nd to Lieth Anderson and 3rd to Bobby Anderson. In the third and final event it was Mike Holmes again in 1st place followed by Lieth Anderson. Congratulations go to Mike Holmes for his first major regatta win, and a very convincing one at that.

A qualifying system has been established for next year's Hobie Cat Nationals. There will be at least 8 mandatory races plus the State Championships, to decide the State representative. The Outrigger Canoe Club has its own system for selection of its representatives to the Nationals. The way things are starting, it could well be that the Outrigger champion will be the State champion as well.

President Thad Ekstrand (l.) congratulates author Yost on publication of the first Outrigger Canoe Club History.

**Autograph Party Launches Club History**

On December 9, 1971, after the kind of frustrating delays so often associated with the publication of books, the bindery made the first "token" delivery of 50 copies of the long-awaited Outrigger Canoe Club History. With further delays anticipated because of the imminent Holiday Season, plans for a membership autograph party before Christmas had to be abandoned in favor of a small gathering for Club officers, directors and members of the Historical Committee under whose auspices the

History has been prepared.

Designed by Tom Lee Design, Inc., the book is replete with large scale black and white photographs throughout the historical section and striking full color illustrations of the modern Club by Member Werner Stoy. The author first joined the Club in 1915 and was personally acquainted with Founder Ford and many of his businessmen backers. He has resided in Hawaii for some nineteen years and has been an active Club member during most of those years.
