

Outrigger Golfers enjoy a Great Outing at Olomana

by Frank Walton, Golf Chairman

Those persistent golfers who played in the rain-postponed Outrigger Spring Golf Tournament on Tuesday, May 9 were rewarded with a beautiful day on which to play. Although the condition of the course left something to be desired, the weather, the pupus, the refreshments and the friendly association made it a great outing for the 36 players who participated.

The course condition failed to hamper 10 of our players who managed to score in the 80s despite the bumpy greens.

Bill Capp displayed his usual mastery around the greens and annexed the A Flight title with a sparkling 81. Jim Fleming took the A Flight Low Net.

Tillie Clem's 83 was easily the Ladies Low Gross winner while Anita Fleischaker won Low Net. Tillie also won the Ladies Longest Drive and Closest To The Pin trophies.

Matching Tillie for Longest Drive and Closest to the Pin trophies for Men was Carl Smigielski, who also took the Second Low Gross Men's A Flight trophy.
