

Golfers invited to try another Military course

by Frank Walton

Golf Committeeman Alex Wilson has made arrangements for Outrigger golfers to test the beaches and sand dunes of Kaneohe Marine Corps Air Station course on Friday, 27 October, commencing at 10:00 A.M.

The plan is to schedule starting times only; refreshments will be left up to the individual players.

Since each foursome must contain one military player, the number of Club golfers who will be able to play will be limited, as some of our golfers learned in our Hickam AFB tourney.

Watch the lobby for details. The signup sheet will be at the front desk commencing October first. Put the date on your calendar NOW.
