

Golfers Surprise Golf Chairman

At the close of the presentation of the awards at the Club's highly successful October tournament at Kaneohe Marine Corps Air Station Golf Course, golfer Bill Capp sprung a surprise on Golf Chairman Frank Walton.

On behalf of all the golfers who have participated, he presented Walton with a beautiful monkeypod bowl for his "unselfish devotion and efficient planning, organization and management of the Club's fine tournaments over the past three years."

Walton's Golf Committee is composed of Hal Mehlberg, Gene Long, Alex Wilson and Bill Capp. Over the past three years, participation in the Club golf tournaments has nearly doubled.
