

# Outrigger Golfers Enjoy Biggest Day Ever!

by Frank Walton

Combine a beautiful day with a golf course in perfect shape and a turnaway crowd of 119 enthusiastic players, and you have the ingredients for a most successful day of golf. That was the situation on Tuesday, May 8 at Navy-Marine Golf Course where the Spring Club Tournament was held. The Outrigger players had the largest turnout ever.

The Navy-Marine Tournament had been held the previous weekend. That assured that the course was in excellent condition. A shotgun start made it possible for all players to commence and finish at the same time.

Harry Robello shot a steady 74 to nose out Alan Peralta and Johnny Jones (with 75 and 76) to capture top honors in Men's Class A. Vic Hawthorne won Men's Class B with an 84. Sandy Sandberg and Roy Kesner tied for second with 87s. Earl Hughes won Men's Class C with an 83, followed by Dave Phinney and Bob Bahruth at 84s.

Pam and Eve Anderson took Low Gross honors for the Ladies with 82 and 85; Barbara Robello was third at 88.

Lee McCaughan took the Closest to the Pin trophy for the ladies, while Tillie Clem won the Longest Drive award.

Jim Hustace showed his class by taking both Longest Drive and Closest to the Pin trophies for the men.
