
Golfers Return to Olomana

By Frank E. Walton

They said it couldn't be done but Golf Chairman Hal Mehlberg *has* managed to wheedle agreement for a shotgun start out of Olomana Golf Course Pro, Floyd Nakama.

The date is Friday, September 14; the time is 9 a.m. Everyone starts at the same time and everyone finishes at the same time. The price of \$19 includes green fees, cart, pupus, prizes and beverages.

Hal has been able to obtain 15 tee times, which should be quickly filled. Sign up at the Club front desk after September 1. Make up your own four-some or sign up anywhere and your Golf Committee will pair you.

Since the cards and carts will be set up two days ahead of time, no new sign-ups and no cancellations will be accepted later than 48 hours before the tournament.
