

Women's Volleyball Scores

By Kisi Haine

With the organizing skills of some of the team members and lots of help and patience from the Club administration, we managed to put together a highly skilled and competitive women's volleyball team. Members are Keri Baird Fernandez, Traci Phillips, Marci Wurts, Tyler Dacey Herich, Sandra Stanley, Paula Jenkins, Diana McInerny, Pam Rigg and Kisi Haine. With Diana, Keri and Traci putting up awesome sets; Marci, Paula and Kisi swinging hard from the outside; Tyler and Sandra pounding and blocking in the middle; and Pam doing everything well, we'll be a tough match for any opponent.

In our first two tournaments of the

season (one in Lanikai, the other at Chaminade College), we captured first place behind the steady play of all team members. The final match at Chaminade proved to be our best victory of the season so far. Pitted against the infamous U.H. Rainbow Wahines, we capitalized on their numerous errors to win the 2-out-of-3 match in just 2 games.

Our season runs into April with tournaments almost every weekend, and culminates with a trip to Hilo for the Haili Tournament. Our competition consists of the various college/university volleyball teams, high school and masters teams. Thanks for your support, Outrigger!

Traci Philips and Sandra Stanley.

Diana McInerny.
