
Golf

By Frank E. Walton

Golf was alive and well at the Outrigger during 1985 with 223 players (including 58 ladies) participating in the four tournaments held by the Golf Committee. The four tournaments were held at four different courses: Navy-Marine, Kaneohe MCAS, Olomana and Hickam AFB.

On the basis of his performance in all four Club tournaments (he was Low Net in A Flight in March; Fourth Low Gross in B Flight in June; Low Net and Third Low Gross in A Flight in September; and Third Low Net in A Flight in October) Bill Capp was selected *Golfer of the Year* for 1985. His average score in the four tournaments was a respectable 88, by far the best of those who played in all four Club outings.
