Outrigger golfers braved weather conditions at Kaneohe Klipper on February 27 which included some gusty winds and cold conditions (it was in the mid 70s).

This was our first tournament in 1987 and the turnout of 58 faithful golfers, including 16 ladies, was worth the effort of the Golf Committee.

In the Men's A Flight (handicap 6-19), Jim Nicholson had a low gross of 85 which was the lowest score of the day. Ben Ahakuelo had second low gross of 86. Frank Devinis had first low net of 68 and Jim Gaddis was second low net at 73.

In the B Flight (handicap 21-34), Bill Capp had a fine 86 and with his 23 handicap he had the low net for the day of 63. What a day Bill had!

Second low gross went to Andy Nisewaner with a 95. Herb Clark had a fine 74 for first low net and Colin Chock had the second low net at 75.

In the C Flight (golfers playing without a handicap using the Callaway System), Jon Haig and John Beaumont had the low net of 74.

The ladies competed in one flight and first low gross for the ladies was Lou Fisk with a fine 94. First low net went to Del Reiersen with a 79 and second low net to Babe Cross with an 81.

Closest to the pin for men went to Pat Colvin and Paul Hollinger. For the ladies, Izzy Ryan and Edna Sloan were the sharp shooters and won closest to the pin.

closest to the pin on No. 11 at 3-feet but this hole turned out to be for the ladies.

The Golf Committee wants to thank all players for their support and being on time to tee off as scheduled.

Our next tournament is set for Olomana and this promises to be a great outing. This tournament will be

held on Friday, May 29 at 8 a.m.

This tournament will also be a shotgun start with all golfers starting and finishing at the same time. Pupus will be served after the golf which should provide for a fine social ending for the outing.
