

Another Great Golf Outing at Kaneohe

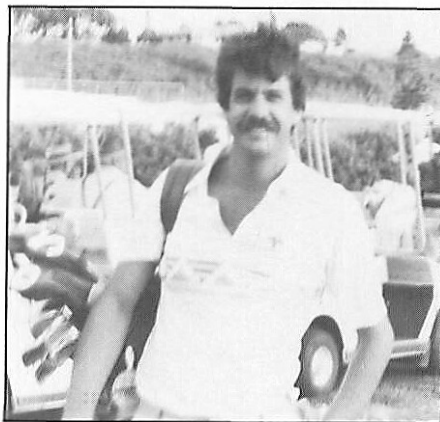

By Frank E. Walton

Once again, Kaneohe Klipper Klub Pro Chuck Larsen and his staff combined with perfect weather, to provide another fine outing for the 64 participants in the Club golf tourney, August 12.

And to add frosting to the cake, Staff NCO Club Manager Larry McCulla and his gang produced another ono buffet luncheon.

The 64 players (three no shows were replaced by a standby Club member and two Marines), got off to their simultaneous (shotgun) start only 15 minutes late and all completed their rounds within 15 minutes of each other.

As a result, all players were together for the luncheon and the trophy presentations.
