

# Outrigger Golfers to Kaneohe

By Frank Walton

After the scheduled March 6 date for the golf tourney was cancelled because of weather, we had perfect weather on March 27 at the Kaneohe Marine Corps Air Station.

Because of the date change and scheduling conflicts, a number of players dropped out, resulting in a field of 53 players instead of the 64 planned. 🏌️

## Results:

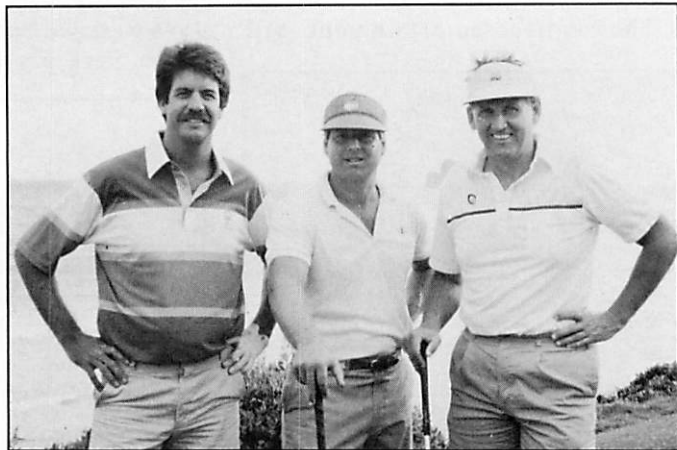

### Men

|                        |               |            |
