

Boy's 14 VB Team Finishes 3rd

By Wendy Crabb

Congratulations to the OCC Boy's 14 volleyball team. The boys traveled to Southern California for their first volleyball tournament and took a very respectable third place.

The boys competed in the Reebok Junior Invitational Tournament held at Cal State, Dominguez Hills. The team was coached by Tony Crabb.

Play began on June 24 with pool play. The team came first out of their pool by beating some very solid California teams.

They entered the second round and lost one match to Kokoro, a very aggressive and talented team from Southern California which has been together for about 2 1/2 years.

They moved into the third round of play and went all the way to the semi-finals where they once again met Kokoro. They lost the first game 15-10, came back to win the second 15-12 and finally succumbed to the power and play of this team in losing the third game.

To reach this semi-final match, the OCC 14s beat such formidable teams as Manhattan Beach, Balboa Bay Club and Santa Monica Volleyball Team. All of these teams are from well-established solid volleyball programs.

lished solid volleyball programs.

J. J. Riley piloted the team with excellent setting. He worked very well with his hitters Ryan Avery and Brian Kilcoyne. Ivan Gale led the team in kills and blocks, doing a super job. Trevor Cabell moved like a firefly on the court. He passed, dug, covered, all at lightening speed.

Kimo Greenwell and Kaione Crabb proved to be great serving specialists and good back row players. Their height was no deterrent to their play. Kaione was the youngest player by two years out of all 17 teams.

All 11 players on this team played the whole tournament and all 11 players contributed to the success of this trip.

The team consisted of J. J. Riley, Brian Kilcoyne, Ryan Avery, Kimo Greenwell, Kaione Crabb, Trevor Cabell, Ivan Gale, Richard Riecker, Jason Ayson, Jessie Hunt and John Wright.

To put this in perspective, one must realize that this team had never before played in a tournament, never even scrimmaged another team. Their success can be attributed to lots of hard work and terrific coaching.

Thanks also to the great support group of parents who cheered, transported, fed and chaperoned.

Mahalo to Lauren and Geoff Avery, Emmy Greenwell, Mahi and Skye Riley, Maureen Kilcoyne, Duncan and Gail MacNaughton and Kristin and Wendy Crabb.

Appreciation should also be expressed to the OCC for their support of this team and the support in general of the Outrigger junior program. Also to assistant coach Bill Danford, who was unable to make the trip, for his help.

Our congratulations to Tony Crabb and his team for a job well done. ☺
