

Golf Chips From the 19th Tee

By Frank E. Walton

Joie Gopez and Bill Cross, shooting 88 and 80 respectively, won Low Gross honors at the Club's first 1993 Stroke Play golf tournament. The players enjoyed perfect weather at Navy-Marine Golf Course on February 11.

Cyrena Bryan and Bruce Bolton were Low Net winners with 72 and 65. Cyrena and Terri Lui each won a Closest to the Pin award for the wahines, while Bill Cross won both of the Kane awards.

Next Tourney April 1

The second Stroke Play Tournament will be played at Hawaii Kai on Thursday, April 1. The sign-up sheet is in the Golf Folder at the Front Desk. Don't hesitate to sign the standby list if all spaces are filled.

We had several cancellations at Navy-Marine and were able to accommodate all stand bys.

June Tourney Changed

Note that the June tournament date has been changed to Wednesday, June 23, and not the 22nd as earlier posted.

Match Play Tourney

The sign up sheet for the Club's 1993 Match play tournament is in the Golf Folder. Note that this year we are returning to separate Wahine and Kane competitions.

Winners, in addition to receiving trophies, will have their names inscribed on the plaque in the Club Lobby.

Conversation Gems

All golfers pepper their 19th tee conversation with "If I'da, shoulda, coulda and woulda." Helen Sheehan has told us all about "If I'da" in this little gem.

If you want to know the truth
Golf's a game of self abuse

If I'da hit the ball right
It coulda gone out of sight

If I'da missed the tree
I'da been on in three

If I'da followed through
I woulda been there in two

If I'da not looked up
The ball woulda been in the cup

If I'da kept my head down
I coulda won the round

If there was someone else to blame
Golf coulda been a really fun game 🍌

A black and white illustration of a man in a Hawaiian shirt and a ukulele. The man is smiling and wearing a short-sleeved shirt with a tropical pattern. He is holding a ukulele. The illustration is framed by a woven basket texture at the top and bottom. To the right of the man is a text block and the Reyn's logo.

As the story goes . . .
JOE KEALOHA was one of the most skilled and popular beach boys ever to walk the sands of Waikiki. A descendant of Polynesian navigators who once sailed the vast Pacific, Joe made his mark in the Islands as a surfer, paddler and musician. Joe's name on the label ensures Hawaiian authenticity, and as Joe is affordably priced from \$42, we're sure the genuine spirit of Aloha will prevail.
