

News from the CLUBHOUSE

By Jim Gaddis

Nearest-to-the-pin winners were Strat Whiting, Pam Dillingham, Jon Haig and Tad Sewell.

It was a beautiful June morning with perfect conditions on one of Hawaii's most magnificent golf courses. The heavily wooded Leilehua Golf Course appeared to be as defenseless as one might ever hope to find it.

Twenty OCC golfers brought their clubs with them but forgot to bring their game. For the first time anyone can remember, no one was able to break par on their net score. In fact, only two golfers, Don Cutting (86) and Stan Brown (89) were able to break 90.

Cutting took Men's Low Gross honors while Jim Gaddis took Low Net honors with an even par 72. Joie Gopez shot a 93 to win Ladies Low Gross. Cyrena Bryan's net 79 gave her Ladies Low Net honors.

Nearest-to-the-pin winners were Pam Dillingham, Jon Haig, Strat

Whiting and Tad Sewell. Pam's winning shot raced through a sand trap before stopping

near the hole. Jon and Strat knocked their winning shots to within six feet of the pin on extremely long par three holes.

A new team format introduced by Larry Langley had five teams competing against one another using their handicaps on each hole. Firing a 16-under par 56 was the team of Bob Hogan, Haig, Whiting and Gaddis. Four net eagles sparked the team.

1995 OCC Match Play began last month. Results can be found in next month's Clubhouse news.

The August tournament will be played at Kalakaua Golf Course on the 21st. Sign up now at the Front Desk. Jim Hammons is tournament chair.

Keep turning in your scores to update your USGA handicap and remember we need all OCC golfers to be involved and take part in organizing our events. ☺
