

Golfers Enjoy Hickam Play

Bob and Judy Maguire hosted a wonderful tournament on April 12th, at the Hickam Mamala Bay Golf Course which drew a group of 32 golfers that enjoyed a weather perfect day on a great golf course. Golf was followed by pupus, golf awards and prize drawings at the golf course restaurant.

Golf awards of OCC gift certificates were presented to Stew Brissette (61) for men's low net; Kathy Muller (74) for women's low net; Robbie Estes (70) for men's 2nd low net and Colleen Romanek (75) for women's 2nd low net. Guest Gary Osterman (78) was the overall low gross winner. Boxes of golf balls were presented to Robbie Estes and guest Jane Weston for men's and women's closest to the pin on the par 3 holes # 2 and #16.

Great prizes in the drawings included two interisland round trip airline tickets,

two golf travel bags, and two golf shirts all courtesy of Hawaiian Airlines. Mamala Bay Golf Course donated two rounds of golf and Mekong 1 Thai Restaurant (on Beretania) contributed a \$25.00 gift certificate. If you weren't there you missed one of our best outings to date.

We owe a huge Mahalo Nui Loa to Bob and Judy Maguire for making it possible to play the military courses on our schedule this year and Phil Sevier deserves a great deal of credit for resurrecting the OCC Golf Program and stimulating an increased level of interest so that we can now conduct monthly tournaments.

Our June Tournament will be at Waikele on the 14th. Be sure to sign up early as we had to turn away people that wanted to play at Hickam. We hope to see as many enthusiastic participants in the rest of the tournaments this year.
