## OUTRIGGER CLUB NOTTS.

The Outrigger Club is getting things in shape for its summer season. The club quarters are being cleaned and renovated and arrangements made for the sports of the summer months.

The dancing lanai has been built over, the floor improved and the roof lowered, giving the edifice more the appearance of a bungalow.

The ladies annex is also receiving attention and this promises to be a very popular feature of the club.

It is the object of the management of the Outrigger Club to look after the comfort of members in as great a degree as possible during the coming season.
