

The Army, Navy and Marine people are taking up surfing with a great deal of enthusiasm and most any afternoon at the Moana, the Seaside or the Outrigger Club one sees a jolly crowd of the service people in bathing. Many of the officers have joined the Outrigger Club and several are becoming quite expert in the use of their surf boards and outrigger canoes. Among those noticed frequently in the surf are Major and Mrs. Dunning, Major and Mrs. Ray, Major and Mrs. Wadhams, Captain and Mrs. Marix, Major and Mrs. Long, Captain and Mrs. Low, Captain and Mrs. Ramsey, Paymaster and Mrs. Hornberger, Lieutenant Moses and Lieutenant Shearer.
