

SAILORS WILL HELP TO MAKE REGATTA A GRAND SUCCESS

Healani Crews Are Confident of Getting Back to Their Old Place--Many Canoes Are Entered.

Regatta Day Records.

The Myrtle Boat Club since its organization in 1883 to 1908, both years inclusive, has rowed ninety-three races. It has won sixty-five and lost twenty-eight.

Of the thirteen senior barge races rowed on Regatta Day, the Myrtles have won seven, the Healani five, and one race was declared off.

Of the ten Freshmen races rowed on Regatta Day, the Myrtles have won nine and the Healani one.

The races rowed at Pearl Harbor have resulted as follows: Thirteen senior races, of which the Myrtles took eight and the Healani five. Junior races eleven, of which the Myrtles won eight and the Healani three.

This is Regatta Day. The first race will start at 9 o'clock promptly. The following is the entire program. Note that the course has been altered from last year. There may be a change in the order of events, as it is possible that the United States cutters will race last.

The personnel of the barge races will be about as follows:

Senior 6-oar, Myrtles.—H. Williams, bow; P. Smith, number two; Bob Chillingworth, number three; C. Padeken, number four; Jack O'Brien, number five; Bill Lyle, stroke; L. Hough, cox. Healani.—B. F. Sumner, bow; Bob Fuller, number two; Henry Rose, number three; Mark Robinson, number four; Joe Kamakau, number five; Johnny Clark, stroke. Benny Clark, cox.

Freshmen 6-oar, Myrtles.—E. Ball, bow; Frank McKenzie, number two; Harry Gorman, number three; J. Macaulay, number four; G. McDougall, number five; Mike Center, stroke; L. Hough, cox.

Healani.—Lawrence Cunha, bow; Brown, number two; Kahanamoku, number three; Lota, number four; James, number five; McCandless, stroke; Carl Oss, cox.

Senior pair-oar, Myrtles.—Bill Lyle and Padeken. Healani.—Carl Oss and Dick Sullivan.

Junior pair-oar, Myrtles.—Ted Center and J. Macaulay. Healani.—Kamakau and Fuller.

It is impossible to make any forecast of the results of the races. The Myrtles have been winning with great consistency, but the Healani really seem to have a chance all round this time. Dick Sullivan and Oss should be able to make it hard for Bill Lyle and Padeken in the pair-oar race, although the latter are the more seasoned oarsmen.

Carl has been captain of the Healani for some time and is a pastmaster in the art, but Dick is more or less of a dilettante as an oarsman. They are both in fine condition and may be relied on to do their best.

The Healani freshers will have an advantage over the Myrtles in that they will be coxed by a veteran, and so it is said that they will have a Myrtle freshman or one or two of the good health as might be. This will certainly be one grand tussle and the losers of last year have a fine chance to win.

The senior race should be a grand one, too. Of course both crews are in the pink of condition and have been training hard for a long time. There is a considerable change in the make-up of both crews from last year, and there is no reason why the Healani boat should not put its flag ahead this time.

Take it all round, the races look as though they would be closer and more fiercely contested than for many years. The canoe races will provide the usual tense excitement. The sailing canoes always put up a fine race and make a wonderfully pretty sight as they come swooping over the line at the start.

In the six-paddle canoe race, the Outrigger Club has an entry. The boys have borrowed Prince Cupid's famous "A" and have a lively crew of paddlers to man her. Rusty Brown will steer and his paddlers will be Harry Seiner, Willy Cottrell, Edmond Melanphy, Dave Center and Zen Gravenox, stroke. Cottrell is usually known as "Knut Peterson" out at the club

and so his name was thus misquoted the other day.

The yacht Hawaii will act as judges' boat and will be anchored opposite the old Kinau wharf. The wharves will be crowded as usual and there will be a mighty display of colors. Pretty girls always look pretty, but they look just a little bit prettier when dressed out in the colors of the club they favor. There are no homely girls on Regatta Day.

HEALANI AND MYRTLE BOAT CLUBS DANCE

Tonight at the Moana Hotel, Honolulu's society will turn out to do honor to the Healani and Myrtle Boat Club by attending their dance at the Moana Hotel. Carrying out the custom of past years, everybody who is at all interested in the doings of the two clubs, will make it a point to be present at the gathering of rowing enthusiasts at the round up of the day's doings, and it goes without saying that tonight will be a reminder of by-gone days. Everything that could be desired to make the evening a success has been attended to, and the committee is to be congratulated on what it has accomplished. Many events have been crowded into this one small week, but beyond a doubt this is a fitting close. Many little dinner parties are planned, and with the usual good nature of the crowd that has had a day of good keen sport, things will hum around the Moana Hotel till the early hours of tomorrow morning. The sale of tickets assures the committee the success it has anticipated and it's now up to the dancers to do the rest. The hotel will be prettily decorated in club colors, appropriate music and club yells will help make the dearest feel at home. The members of the two clubs will be on hand in round numbers to keep the ball rolling, and all who have the good judgment to attend will find it an evening well worth while.

DANCING TONIGHT

There will be dancing this evening at Waverly hall, corner of Hotel and Bethel streets, commencing at 7:30. It is in the nature of a nickel dance, which means that after paying 10 cents for admission at the door each dance will cost 5 cents. The music will be furnished by the Royal Kawaihau Glee Club, and all who have heard this excellent orchestra will eagerly anticipate dancing to its rhythm. A good time is assured all who attend.

COMFORTING WORDS

Many a Honolulu Household Will Find Them So.

To have the pains and aches of a bad back removed; to be entirely free from annoying, dangerous urinary disorders is enough to make any kidney sufferer grateful. To tell how this great change can be brought about will prove comforting words to hundreds of Honolulu readers.

S. C. Fones, builder and contractor, 1720 Sargent St., Joplin, Mo., says: "Kidney and bladder complaint made its appearance in my case when I was young and I steadily grew worse until it was feared I would die. I consulted a specialist in Chicago, but he did not help me and the plasters and electric belts I wore, were useless. I suffered from severe pains through my kidneys and various other symptoms of kidney disease and I knew that if I did not soon get something that would cure me, there would be little chance of my recovering. After an unusually severe attack which laid me up for two weeks, Doan's Backache Kidney Pills were highly recommended to me and I made up my mind to try them. I procured a box and soon after I began their use the symptoms of my trouble gradually disappeared. My condition improved steadily from that time on and before I realized it, I was in good health. I feel that Doan's Backache Kidney Pills saved my life." (Statement given in 1905.)

On Dec. 9, 1908, Mr. Fones said: "I still firmly believe in the merits of Doan's Backache Kidney Pills. It is a pleasure to make the fact known that my cure has been permanent." Doan's Backache Kidney Pills are sold by all druggists and storekeepers at 50 cents per box (six boxes \$2.50) or will be mailed on receipt of price by the Hollister Drug Co., Honolulu, wholesale agents for the Hawaiian Islands. Remember the name, Doan's, and take no substitute.
