

During the past summer Mr. Bonine made a great series of the pleasure sports of Waikiki—canoeing, racing, surf-board riding, etc.—which are to be exhibited to the public for the first time at the exhibition for the Outrigger Club on the evening of the 22d. inst. at the Bonine Theatre. Considerable trouble and expense were gone to in obtaining these exceptional pictures, which are said to be far the best ever taken and no doubt will prove a great treat in the line of native sports.
