

Outrigger Club

Notes And News

The Outrigger Club will begin work next week on its new big bathhouse, and the work will be rushed to completion.

Several informal meetings were held on the grounds yesterday afternoon and today. Officers and members of the club discussed plans for the coming Clark cruise regattas, and it was decided to limit the events to five, making the surfboarding and surfboating the big events for which the cups will be given.

There will be probably one six-paddle race, a sailing-canoe race, and a four-paddle race.

The native crews of Kalihl will be invited to participate, and the grass houses placed at their disposal and plenty of poi provided. The Clark cruisers will be treated to real Hawaiian sports and real inhabited Hawaiian village.

Captain Kenneth Brown is engineering a social chowder for club members only, to be held in the lagoon lanai next Saturday. The tickets are to be placed at 25 cents each, and it is hoped that all the members of the club will be present to become better acquainted and discuss among themselves and suggest plans for the improvement of the club.

The annual election is soon due, and it is hoped that a club spirit will be aroused that will result in the placing in office of a lively, hustling board of directors.

With the construction of the new bathhouse, an energetic collector will be appointed to go around with the 1910 cards of membership in the Outrigger Club.

It is intended to have the ladies take a larger part in the club work. The members are waking up to the fact that the auxillary is the best part of the club.
