

# BIG CHOWDER

---

Six o'clock tomorrow afternoon is the hour set for the first "Gettogether" chowder of the Outrigger Canoe club in their big lanai at Waikiki. Every member is requested to be present at the feed and to bring his quarter with him. Those who come early will have an opportunity of seeing the workmen putting up the new big bath house. During and after the chowder there will be a general discussion of club affairs and everyone will have a chance to offer suggestions for the good of the organization. All members, whether in arrears or not, are invited, as well as those who have recently given in their names to the club collector.
