# Luau Given By Outrigger Club

---

A luau will be spread at the Outrigger Club Sunday afternoon for the members of the club who take part in the contests for the Clark cups.

A friend, famous for his fish chowders, will provide the feast, so that the youngsters and the older members as they come out of the water—winners and losers alike—will find hot steaming chowder to warm them up.

Every youngster who can ride a surfboard, or paddle in a canoe in the big surf, is invited to enter the contests. Entries can be sent by postal card to Kenneth Brown, Waikiki.

It is hoped that some of the young ladies who ride on boards will also enter the surfing contests. Hard-hearted indeed would be the judges who would see any faults in the fair sisters, and delighted would be the Clark cruisers to see the girls on the boards.
