## BONINE TO GIVE OUTRIGGER BENEFIT

---

The Outrigger Juniors, some of the smallest of the lot, tackled Bonine on Clark's day at Waikiki for another moving picture show for the Outrigger Club. Last night Bonine announced that he would consider a date and show the pictures he took on Sunday at the beach. These, with his wonderful surf-riding films, now constitute a perfect story of the famous sport.

The proceeds of the entertainment will go toward paying off the debt on the new bathhouse, which is almost completed, and will be used for the first time on Friday and Saturday of this week.

The new surfing picture show was the suggestion of one of the "Mauka" Juniors. It was a Mauka youngster who sold the most tickets at the last entertainment, and there is likely to be merry rivalry between the Makai and the Mauka members of the Outrigger Club as to who will gain the new record in ticket selling. Of course the Seniors and their friends are expected to do the purchasing.
