

The Outrigger Club held a meeting yesterday at which it was decided that the Clark cups be kept as perpetual trophies, to be contested for annually. The meeting was attended by President Sanford B. Dole, Judge Weaver, Ralph Lyon, A. H. Ford, G. N. Tuttle, and it was held in F. T. P. Waterhouse's office. The Clark cups will be competed for on March 18, and it is to be hoped that there will be some surf and not like the two previous occasions when an attempt was made to do the surfing stunts.
