but by kids and incompetents concerning Jeff's condition that you don't know what to believe. But, frankly, Jeff is today in pust as good condition as he ever was at the commencement of training, and nothing will be left undone to improve his chances against Johnson.

"Jeff's training camp will be a camp of workers, nobody standing around telling him that his ulna and magnum is crooked. We have already engaged Bob Armstrong and Farmer Burns, while Frank Gotch who has proved a great attraction for Jim has volunteered to cancel several theatrical engagements in order to be on hand and give Jeff some rough stuff. Dont worry; we realize the responsibili'ty resting on Jeff's shoulders and he is going to make good or die trying."
