CLARK CUPS WILL BE COMPETED FOR AT LAST

Both the juniors and seniors of the Outrigger Club, as well as some of the young ladies in the auxiliary, are getting ready for the Clark Cup events Saturday afternoon at Waikiki. It is expected that some of the youngsters will press their elders pretty hard in the surf.

There will be one cup for the best girl surfer, another for the best boy surfer, a cup for the one who can best steer a big canoe before a giant wave, and another for the club member who can keep a small canoe longest before the crest of a roller.

Mons. Bonvillain is expected back from the Big Island on Saturday morning to take the motion pictures of the events. The twenty-four-foot tripod was upset two weeks ago by the big surf that came on while the motion-picture man was at the volcano.

The tripod will be reerected on more solid ground and the youngsters of the club don't care how big the waves are on Saturday afternoon.
