

Mr. G. H. Tuttle was the guest of the trustees of the Outrigger Club at a lunch yesterday at the Pacific Club. Mr. Tuttle, as secretary of the Outrigger Club, had been requested to report on a specific plan for improvement of the club grounds. Such a plan has been drawn up and was yesterday adopted by the trustees, who have asked Mr. Tuttle to superintend its carrying out. The plans calls for extensive improvements, which will be begun at once.
