WASEDA IS CHAMPIONSHIP

series with the Waseda and Oahu league teams which starts on Sunday July 5.

Practice for the coming series will commence shortly, as the local players are anxious to make a good showing against the visitors.

Professor Abe who is manager of the Waseda team in a recent letter to one of the local graduates of the Waseda University, stated that Gamawaki, the greatest catcher in Japan, would remain in Honolulu a month or so after the series is over. He will enter a mainland college for a post-graduate course.

During the time that he is here he will probably catch for the J. A. C. team in the Oahu league. Yamawaki, in addition to being a good catcher, is a heavy hitter and his many local friends are anxious to see him in action.

The Waseda will arrive on the S. S. Chiyo Maru which is due here on July 1, the first games in the series being played on Sunday afternoon, the third of July. Tickets for the series will be placed on sale in a few days and the prospects seem bright for the whole grandstand being sold out before the opening games. The schedule of games for the series will be announced in a few days.

McFADDEN CHALLENGED.

"Sailor" Morch who is well known among the local sporting fraternity has announced his willingness to meet McFadden for the lightweight championship of Hawaii, and it is quite likely that these two boxers will be seen in action on the night of June 4.

McFadden will probably consent to Mike Paton officiating as referee, as this is one of the conditions that Sailor Morch asks. A number of the best local boxers will meet McFadden this week to talk over events to be held at the Princess rink.

TO TALK OVER PLANS.

Jack Scully and Henry McRae will meet some time this week to talk over plans for the proposed boxing exhibition which will be held on the afternoon or evening of June 21, when Bob Fitzsimmons, Tommy Burns and Lang pass through here, en route to the Jeffries-Johnson fight, on the S. J. Marana.

A cablegram sent by Hugh Macintosh was received yesterday asking if it would be possible to arrange an exhibition for these men and immediate action was taken to assure the Honolulu sporting public an opportunity to see well known ring generals in action.

Although no place has been decided upon it is almost certain that the Princess rink will be the place chosen for the exhibition.

GAME RESULTS IN TIE.

The initial game of skate football which was played last night between the Marines and the Princess rink teams at the skating rink, ended in a nothing to nothing score after a very exciting game. Another game will be played on Friday night between the same teams. The teams last night lined up as follows:

Marines—Sarcone, goal tender; Gaw first rush; Netra, second rush; Roff, center; Rhodes, half back; and H. A. Ficus, manager.

Princess—Longford, center; Don Beckley, first rush; Marcus, second rush; J. Westbrooke, defense; Honan, goal tender, and Joe Forrest captain.

Jacob Springer umpired the game.

This afternoon at the boys and Makiki fields the scheduled games in the Grammar school league will be played, the games being Kaulani vs. Punahou and Normal Training vs. Kaahumanu. The first teams will play at the Boys' Field, the second at Makiki.

MEETING A SUCCESS.

The meeting held yesterday afternoon for the purpose of organizing a local branch of the Amateur Athletic Union was attended by a number of representatives of the different clubs here. Another meeting has been called for June 5 when the local branch will probably be organized and officers elected.

The following were present:

dent of the Honolulu Cricket Club; S. Livingston, of the Kanehahua Schools and Lau Tu Tang, president of the Chinese Athletic Club.
