

OUTRIGGER PLANS.

Plans for the July 4 carnival at Waikiki under the auspices of the Outrigger club are being made, and before the end of the week a definite program will be arranged.

Great interest is being taken among the members of the club in all sorts of aquatic sports, and, judging from the entries already received the next surfing contests will bring out the largest list ever entered by the boys and girls of the club.

Six paddle races are being thought of, in addition to surf board and swimming races. Charles Royal, late comedian of the McRae Company, will have charge of the vaudeville stunts that promise to be well worth the price of admission alone. Allan Herbert, the chowder expert of the club, will have full say over the culinary part of the entertainment, which is enough to guarantee a large number of people coming for the chowder alone.

Music, dancing, vaudeville, chowder and water sports will help make the day the most successful ever held by the club.
