

GREAT SPORT FOR FOURTH

ALL SORTS OF STUNTS
WILL BE PULLED OFF

Sailors to Take Part in Races—Big Dance in Pavilion—Royals to Give Show—Large Crowd Expected.

There will be all sorts of sporting events pulled off on July Fourth and not the least among them will be the Outrigger Club show at Waikiki. Juniors and seniors will take part in the events, and an added interest will be the appearance of the Jackies from the Cleveland and Chattanooga, who are to take part in the show. The sailors from the L'Avenir will also be in the races, and as the Frank Speaight silver cup goes to the winner, there should be a great race for the honors.

The beach should present a scene of activity all day on the Fourth, as hundreds of others besides the active participants in the races will be spending the day at the playground of Hawaii.

In future the regattas of the Outrigger Club will be gotten up and managed by the house committee, and Charles Crane will act as captain to select and look after the training of the crews. G. H. Tuttle has been made chairman of the house committee, and is the right man for the position.

The canoes are ready at the beach for practising every afternoon, and coaches are on hand ready to instruct the new men at the game. The sailors from the warships and the L'Avenir may go out any afternoon and have a try at the best water sport of the lot.

The Royals will give a performance at the Outrigger Club "theater," and they will present some fine turns that should make a hit with the crowd. At the close of the performance there will be a general dance in the pavilion, and everybody should have a great time. The following crews have entered for the six-paddle canoe races, and other entries will be accepted up till the day before the Fourth:
