The ladies of the Outrigger Club and their friends are busy preparing the good things that are to be had in the different booths next Friday afternoon and evening at the big carnival. Mrs. Carl du Roi will have a score of ice cream tables under the hau tree grove that has just been lanai'd and surrounded with graceful cocoanut columns. Mrs. G. H. Tuttle will serve tea in the ladies' lanai, while Miss Newcome and her friends will dispense coffee; Mrs. Charles Booth and Mrs. A. Gartley will serve fruit punch and lemonade, Mrs. Dr. Ewbank will have charge of the preserve booth, and Mrs. Raymond Brown the candy shop. A meeting of all of the committees and of the Ladies' Auxiliary will be held Tuesday afternoon on the club grounds.
