

pendent in large measure upon the strength of the gale blowing at the time it was kicked and owing to the wind taking the ball into touch frequently, the game had to be stopped time after time.

During the first half the Punahou had the advantage of the wind, but fail to score, though the greater part of the play was in their favor. Several good shots were put in, but the majority were high and were carried well over the goal line by the wind. The High School boys had several opportunities, but the defence shown by the Punahou backs, aided by the halves, was sound and the goal was kept intact.

In the second spell the Punahou commenced attacking from the kick off, but the High School came back with a sustained effort, and ended in Jones shooting well and Paty saving. All-round good play was shown by both teams, although the pace of the game was not as fast as the previous match in which these teams competed. It looked as though another drawn game would result, until, when there only remained about ten minutes to play, the incident referred to above occurred and Hoogs scored for the Puns. There was no further score, and the match ended as stated.

There were changes in both teams. The Puns had about as strong an aggregation as has yet represented the club, but the High School were without the services of two good men, Bai and Sing Hung, both of whom have done good work for the team.

The final table is as follows:

	P	W	D	L	F	A	P	Goals
Punahou	7	3	2	1	8	6	3	
High School	7	3	1	2	8	7	7	
Males	6	2	2	2	10	9	4	
Iron Works	6	1	2	3	7	11	4	

## ARRANGING FOR BOXING BOUTS

In less than a fortnight from date, if the plans now being perfected by George Nelson are brought to fruition, a series of boxing bouts will be brought off in the Asahi theater. Nelson, who is hailed as the coming promoter of the islands, has drawn up a program which should please all boxing fans. Fink, of the Marines, and Harding, from Fort Ruger, are billed to provide the star event. The former needs no introduction. His previous fights in Honolulu are sufficient to guarantee that he will put up a willing, clean fight. Harding is well recommended. His training bouts are said to be inspiring his supporters with confidence.

Sarcone will engage with Simmons, of the Thetis, for six rounds; Young Gans, who is looking for a match with anyone his weight, will box five rounds with Cabral; and Armstrong and Sullivan, both from Schofield Barracks will meet in a six-round bout. Other attractions are spoken of but those above mentioned are certainties. The contests will be brought off on the 11th inst., prices of admission from \$1.50 to fifty cents.

### THE HALEIWA RACE.

Nothing definite has yet been announced with regard to the Haleiwa road races except that Jack Scully has taken the matter in hand and is not going to relinquish it until he has pulled off the events proposed. Runners, cyclists and auto-racers may go ahead with their preliminary training for the races are certain to be held now that Scully is at the helm.

## PLAN TO BOOST AQUATIC SPORTS

The Outrigger Club is making a great bid for public favor this year, according to the plans discussed at the first meeting of the new directors on Saturday afternoon. An effort is to be made to increase the interest at present taken in surf-boarding, canoeing and swimming, and special energy will be directed to getting the younger members of the community interested in the sport. In order to put the ideas of the new directorate into effect as soon as possible a committee consisting of Allan Herbert, Theodore Cooper, A. H. Ford, Edmund Melanphy and Irwin Spalding was elected to draw up the plans for the desired competitions, and to work up general interest.

Several much needed additions are to be made to the clubhouse, including a new bathhouse, in which showers will be installed. The present directorate is nothing if not enthusiastic, and their enthusiasm bids fair to bring the Outrigger Club into the front rank as an institution to which all swimmers should belong. After the success attained by the swimming meet held at Fort Shafter on Friday evening, it will not be surprising if

swimming booms here during the coming summer. The Outrigger Club will probably be able to enter a team in the next meet, and this in itself will add additional interest to any aquatic function held here. The more competing clubs there are the better for sport generally.
