

# TRAINING WILL CEASE TODAY

This afternoon the swimmers who are to take part in the aquatic sports Saturday afternoon will do their last day's hard work in the water, and a big turnout at all the training quarters is expected.

The Myrtle and Healanl teams will do their training in the harbor, while the Hui Nalu members will finish up their training out at the beach, where the course is all measured out. The boys swim through much rougher water than those who train in the harbor, and this will help them a great deal when they come into still water.

Every members on the Healanl and Hui Nalu teams will go over their respective distances this afternoon.

For some reason the Outrigger Club, which has a membership of over a hundred good swimmers, has fallen out of the meet, which is puzzling the rest of the swimmers.

It is believed by some that as soon as they saw the Hui Nalu enter they backed out. This looks queer for such a club as the Outrigger, which devotes most of its time to swimming and surfing, as the Healanl and Myrtle boat clubs enter men who are doing rowing and swimming at the same time, which is something of a handicap.

More entries for the various events have been received, and the clubs are happy to see the boys swell the entry lists for the many events. The Myrtles are shy in the fancy diving, gladiatorial contest and obstacle race.

Further entries for the races of Saturday are as follows:

Myrtles—L. Hough, A. Hough, K. M. Smith, A. Myhre, for the 50, 220, 440 and half-mile swim. W. A. Raseman for the 50 and 100-yard swims. K. M. Smith, A. Myhre, for the fancy diving, obstacle race and plunge; A. Hough has entered for the obstacle race, and A. E. Tinker of the Healanis is down for the plunge and 220 yards. For the relay race, L. Cunha, F. Kruger, W. Grace, R. Fuller, George Murray, J. P. Honan, A. E. Tinker, G. B. Bechert, C. E. Mayne and C. A. Broderick of the Healanis are entered.
