

# KAMEHAMEHAS

## WILL BE IN IT

Lovers of the sport of canoeing will be glad to hear that the Kamehameha Aquatic Club will enter a crew in the six-paddle championship race on Regatta Day and have commenced paddling in the harbor.

The K. A. C. is a very sporting organization and may be relied on to make a hard fight for premier honors.

Their crews have won many races in the past and they have earned the reputation of being a "never-say-die" lot.

The Kona crew will not be here and the Kamahamehas will have as opponents the Outriggers and the Hui Nalu.

The Hui Nalu boys say that they do not fear the Outrigger bunch but that they entertain a healthy respect for the Kamehamehas.
