WORKING FOR FUN

The Outrigger Club is getting ready to begin work preparing for the big annual entertainment, regatta, cbowder and dance. There will be a meeting Thursday noon at the public service rooms of the entertainment and boosting committees. All of the members are requested to be present and those who have lists of members to be seen are requested to complete their work and report at the Thursday meeting.

Nearly a thousand dollars worth of the entertainment tickets have been underwritten and on Thursday the date of the big event will be definitely decided upon.

As the money comes in from the sale of tickets the proposed improvements will be completed in advance of the entertainment.
