

BIG PREPARATIONS FOR OUTRIGGER FETE

Big preparations are being made for the Outrigger Carnival at Waikiki, next Saturday. Captain E. F. Melanphy is gathering the youngsters for the big afternoon regatta, and is securing the cups and prizes.

The ladies are preparing for the big chowder party after the regatta, and before the dance, and arrangements are being made for plenty of music and a showing of surfing motion pictures, never before shown on the screen.

Altogether, it will be a big affair in every way. The tickets for the entire day, regatta, chowder, dance and entertainment are a dollar, and may be had at the Public Service rooms.
