

OUTRIGGER CLUB JOINS THE P. S. A.

On Saturday, December 9, at 1 p. m., there will be a meeting of all the members of the Outrigger Club at the Public Service rooms to discuss a number of changes in the constitution of the club.

At the directors' meeting held yesterday it was decided that the Outrigger Club become a supporting member of the Public Service Association for the balance of the year, with Trustees J. P. Cooke and J. R. Galt representing the club on the association directorate. In future the financial end of the Outrigger Club will be handled by the Public Service Association, and all members who have forgotten to pay their dues for this year are requested to remit at once before making further use of the club grounds.

A vote of thanks was passed expressing the club's appreciation of the work of the ladies who prepared the chowder at the entertainment last Saturday evening. Sufficient funds were secured to complete the retaining wall now being built and leave a few hundred for other needed improvements on the grounds.
