

CANOE RACE STAGED IF THREE ENTRIES SECURED

The committee in charge of the Regatta states that a canoe event will be arranged if three contestants can be secured. A handsome cup will be awarded to the winner. Canoe racing seems to have been neglected and it is hoped interest will be revived this year that the spectators may have the opportunity of witnessing an outrigger race.

Entries for the various races open this morning and all those expecting to have a barge, boat or scull in any of the events are advised to report to headquarters and enter same as soon as possible.
