

not be necessary to hire a diver to do the work. None of the piles will have to be pulled out.

At the Harbor Board's meeting last Tuesday a near crisis was precipitated when Lord at first refused to pay for the cost of putting the jacket around the piles because they had been checked before being driven, the chipping not being due to any carelessness on his part. The last pile driven, however, showed no checking at all, he says.

NOVEMBER 14 IS DATE OUTRIGGER CLUB'S MEETING

At 8 o'clock the evening of Tuesday, November 14, a special meeting of the Outrigger Canoe Club will be held, the place to be announced later, for the purpose of amending the club's bylaws so as to extend dressing-room privileges to women guests of members.

The club voted last Tuesday night

by an overwhelming majority to provide additional bathing accommodations for women guests irrespective of relationship. The date of the special meeting was decided Sunday by President H. B. Campbell and Secretary J. Ashman Beaven.

Several different forms of the by-laws changes to be made have been compiled by members as suggestions for the club to act on in voting the changes. The various versions have been posted on the club's bulletin board at Waikiki so members can study them and decide which is the most suitable for adoption.

Automobiles have killed 1,040 persons and injured more than 8,000 in American cities this year.
