# OUTRIGGER WILL GIVE DANCE ON DECEMBER 9

---

With the foundation already in place and work going ahead at a rapid rate, the chances for completion of the new women's bath house at the Outrigger Canoe Club by a week from today are excellent.

In celebration of the new building's completion, the club will hold a buffet dance on Saturday night, December 9, a week from tomorrow evening. Secretary J. Ashman Beaven today mailed to members notices of the affair.
