

OUTRIGGER DANCE TO BE WELL ATTENDED; BIG CROWD CERTAIN

Indications are that the grand opening and inaugural buffet-dance and entertainment which will be held Saturday night by the Outrigger Canoe Club at its Waikiki dancing lanai, to celebrate the completion of the women's bathhouse, will be the best attended affair given since the fine lanai, acknowledged to be the best and coolest dancing pavilion in Honolulu, was opened.

Treasurer L. C. Thompson reports tickets to be going rapidly for the affair and the club's order and entertainment committee is making plans to take care of and entertain a large number of members and their guests. Music will be furnished by "Dude" Miller's Hawaiian Glee Club and refreshments of ice cream, punch and wafers will be served without extra charge.

From 7 to 8 o'clock Saturday evening the new bathhouse will be open for inspection. Dancing will begin at 8:30 and there will be several entertainment features to amuse the crowd between dances.
